I seen Gino a few times when I would drop off my Sister to work. He always would say Hello and one time He was a few minutes behind and had the Kindness to say He was Sorry to me, I thought that was so respectful. I Wish the Family all the Best with going through such a Sad Road but Remember He is in Heaven and watching over all of You. Gone to soon but will never be forgotten. Sincerely, Mrs. Putnam

Mark and I would eat lunch at the Country Store most fridays because we were working in the area. As soon as we came in Gino would say "Cagle and Cagle what can I get for you today?" They would talk about their lawn mowers and everything going on in town. My heart breaks, I know what you are going through. Another great man from Pedricktown gone too soon. My deepest sympathy to the family. Rest in Peace Gino. Your work here is done.

Dear Mistichelli Family, I can't tell you how sad I am at Gino's passing. I can't imagine this town without him. I was in the store almost every day and his cheerful greetings always picked me up if I was down. He always made a point to ask how I was doing, when I was going through difficulties. If I can be of help in any way, please let me know. I'll keep you all in my prayers that you can heal. xoxo
