

Anne L. Wildman

April 15, 2020

Anne Lorraine Wildman, age 30, of Elmer passed away on Wednesday, April 15, 2020. Born in Sewell, she was the daughter of the late Don S. and Robin (Schwerd) Wildman. Anne was a 2007 graduate of Schalick High School and she last worked as a project manager for ARC Design & Consulting.

Those that knew Anne will remember her kind and compassionate nature, her resilience, and her adventurous spirit. She was an adoring mother whose love for her kids can't be written into words. She was a loyal sister, a partner in crime, a friend to cry with when things got hard and whose laughter could lift anyone right back up. Her heart was bursting with love and she will be forever missed. The world is a bit darker without her, though all who knew her will keep her light shining as a beacon of hope and strength for those that need it most.

Anne is survived by her fiancé Jeremy Miller; her sons Chase and Ethan Miller; her siblings Catharine and Jason Parsons, Allison and Steve Dellosso, Matthew Wildman and Jenette Wildman; and her nephews and nieces Evan, Henry, William and Emily Parsons and Cecelia Dellosso.

A memorial service to celebrate Anne's life will be held at a later date. All are invited to visit Anne's memorial web page at www.weloveyouannie.com.

“ Condolences to her family. I was lucky enough to know Anne through her sister Allison. I cared for her during her pregnancy with Chase & loved seeing how great a mother she was & I got to spoil him a little bit too. I was shocked at this sad news & my heart goes out to her children. Leslie Beebe
