“ So many memories ~Feeding the cows, taking the boys to see Santa, having coffee together, you speaking spanish and not having a clue what you were saying, when you bought the boys light sabers and they played in the Kmart parking lot for an hour, trips to the zoo, more coffee, pitman at Christmas, chasing baby bunnies at your house, haunted hayrides, misty drinks, kerosene heaters, John Deere anything, driving the tractor at your house, your and Shawn Anthony's code word to each other, your favorite vegetable lasagna that I bought for you, it's still in my freezer right now. We will miss you so much
