

Debra Miller

January 25, 2020

It is with deep regret to inform family and friends that Debra Miller (Stinger) born on March 27th, 1955 suddenly passed on January 25th, 2020 at just 64 years young. She is survived by her parents Raymond and Barbara Stinger, her sister Kim Hubscher (Pete Hubscher). Her devoted and loving husband of 34 years Robert Miller, her amazing children Nicole Slegaitis (Cindy Kain), Kristy Slegaitis (Joey Montileone), Tina Slegaitis (Christine Povisils), and Gregg Slegaitis (Steven Gonzalez). She is also survived by her grandchildren, which she lived for daily, Kaitlyn and Cassidy Lesinski, Dylan Slegaitis, Kolton Montileone, Naiser, Jameson and Rayanne Slegaitis. She is also survived by many great aunts and uncles, cousins, other family and friends.

Debra's dream was to own and operate a small farm of pets, that dream finally came true three years ago when her and her husband purchased 5 acres in Quinton NJ and her dreams of owning a horse and other smaller farm animals became a reality. Deb devoted her life to helping animals of all walks of life. She adopted and brought home any animal that was injured or needed special attention and gave them everything they needed. She was also very active within her Gastroparesis support group where she regularly made herself available to be a shoulder to cry on, to share advice, and quite often she would gather items people needed and send them to them even though she had never personally met most of these people.

Deb was one of the most giving people you could ever meet. Even though she lived within meager means herself she would still constantly be helping others. She believed that helping others was paramount to anything else in life whether that was by donating items, time, or money, she gave all of herself to anyone that had a greater need than her.

Deb's family is inviting anyone that would like to attend to come to services scheduled for Wednesday February 5th at 11 am at Holy Trinity Lutheran Church located at 201 Warwick Rd in Magnolia NJ 08049, reception to follow immediately located at Parish Hall at the same address.

In lieu of flowers we ask that donations be made to G-PACT, an organization that was very close to her heart. It is a 501 chapter charity that devotes 100% of their funds to research and assistance to those suffering with Gastroparesis. “ I am just finding out today that Deb gained her angel wings. I knew Deb through the Gastroparesis (GP) Community. We never had the opportunity to speak on the telephone; but we chatted, through FB Messenger. I just wanted to say that while I never had the chance to meet her, I think she was one of the kindest people that I have come to know through the GP Community. I know she has already been missed and will continue to be missed by those who knew her. My prayers and condolences go out to the family. Rest in Peace Dear Deb.
