Florence Poore - Mills (Floss) age 73 of Pittsgrove NJ passed away peacefully on June 25, 2020 with her family by her side. Florence was born on September 25, 1946 in Dover, Delaware. Florence married the love of her life David Joseph Mills Sr. on July 22, 1967. The couple settled in Deptford New Jersey in the early eighties where they raised three children David Jr, Michelle, and Lisa. Florence was a dedicated, hard worker. She worked as a property manager for many years. Florence loved to love people, her spirit was contagious, outgoing, friendly and full of life. She had a vivacious personality, and she always made people laugh. Florence made friends everywhere she went and everyone that new our mother loved her. Family and friends were Floss's passion and delight.

Florence's interest included shopping, a lot of shopping , going from one yard sale to another for hours, playing bingo, dancing and boy could she move, lottery scratch offs , (even the ones where she won a million dollars 2 x on a prank) , playing cards (naked men cards that is), she also loved her hot tea and jelly sticks every night before bed, most importantly Florence loved spending time with her family and friends! Florence devote much of her time and energy to her family, especially her children and grandchildren.

Florence was a devoted wife to David Mills, a longtime veteran, and they engaged in many common activities. Florence was a longtime member of American Legions, many V.F.W.'s. and dedicated to the Women's Auxiliary. She loved to help others and was forever selfless. Putting a smile on others faces was near and dear to her heart. So today in celebration of this beautiful soul and for all the joy and happiness she has brought to all of our hearts, we smile in memory of our Forever Angel 😊!

“ To my mother-in-law. If we play our cards right in life you should only get one mother in law. I could have not asked for a better one. The love that you have shown since the day I met you as always shown how great of a person you always were. We had many of good times together, especially when you and Dave were living at pennsauken towers. You couldn't keep big Dave, little Dave and myself away from the pool table over there. Alot of my good memories in life include you, your husband, Dave and your family. Thank you for making my wife, your daughter the loving woman that she is today. Without you i wouldn't have the unbelievable family that i do. Thank you for everything and i will always love and miss you. Your son in law, Frank OHara

“ I will never forget all the great times spent with you and all the memories we have made. You were always there for me when I was upset or when the boys wouldn't let me do something, you always had my back. We spent countless hours shopping, going to yard sales, playing cards, bingo and just snuggling on the couch watching tv or a movie. When I couldn't sleep you always would scratch my back or give the most gentle face rub until I passed out. You have showed me so many things in life and have had a huge influence on me by watching you be a wife, mother, and mom-mom and I dont think anyone could have done it better. You were so passionate about everything you did especially shopping.. (Dont worry I definitely will keep that passion going..) I am glad I had you as the best mom-mom a girl could ask for. Rest easy and Dance on beautiful

“ My Dear Sister In Law,

We have so many good memories. Family gatherings, dinners, trips, laughs and hugs. You will be remembered for your laughter, joy, smile and dancing that you brought to our family. Our girls will forever remember your Hamburger Goulash , kool-aid, and playing watermelon toss in your pool. You have been missed for years, may you finally rest in peace.

God bless you,
Earl, Joanna, Girls and Family <3

“ Mother. I will never forget anything about you. From your smile your gentle hand and the way you always taught me to see the other side I cant remember a time that you weren't able to ease my pain I love the long weekends we would have at each others houses just laughing at anything until we peed our pants. Oh we had some crazy times. To my mother and best friend I will continue to love and cherish you till we meet again. Please hold my son's hand for me till I get there. I love you mom
