“ My deepest, heart-felt condolences to all of you. My Aunt Margaret Jean was the coolest aunt anyone could have. Strong spirit, strong sense of play, absolutely beautiful--David Bowie loving, Elizabeth Taylor adoring, bamboo planting, vintage clothe-wearing all-around hip chick...My aunt who loved a bit of everything--a rock and roll south jersey country girl who was open minded, free spirited and had a live-and-let live approach to life. AND the LAUGHTER we have had over the years..."And remember gentlemen, you are not starting a lawn mower..." May you RIP Aunt Margaret Jean--I'll love you forever and a day...Love your nephew Patrick Vaughn Kane

“ My heart aches for all of you at the loss of Margaret Jean. She was such an amazing woman and made such a huge impact on my life. She always noticed and appreciated the simple things and had that wonderful knack of making you feel loved and welcome. She knew just the right thing to say to boost your self confidence. So glad she was part of my life she will always be in my heart.

“ Peggy was one of my best and longest friends. We had so much fun in the last 57 years. In the last few years we would keep in touch by email. We used to talk about when we got old and would be sitting on the nursing home porch in our rocking chairs laughing about all the crazy things we did when we were young. We even talked about writing a book of those crazy things and knew it would be a best seller. I loved her. I know we will all miss her and my condolences go out to Billy, Edie, Erma, Chris, Dennis, Janine, Darrell, Adriane and all the grandchildren. Love to all of you, Patti

“ My sister was my e-mail buddy. She always let me know when ice skating was coming on tv and ended her e-mail with shits and giggles. She is in my heart always. She was one of a kind.

“ Margaret Jean was the wonderful big sister to my friends Edith and Irma. I'm sure she was a loving mother and grandmother. So sorry for your loss.

“ Love you all very much, I am sorry that you are going through this difficult time right now...I just wanted to say that I will always, always remember my Aunt Margaret Jean. I will remember coming over to your house when we were little and thinking how beautiful, cool and young she was!! She was exciting to be around and had a light within her. May that light never fade as you hold your memories close to your hearts.
