“ I’ve just heard, and this truly saddens me. You were one of the best and kindest persons ever . There is hardly a memory from my childhood that does not include you. We went trick or treating together, and we never understood how everyone could guess is was us. We built forts with the “spare” nails and wood from the lumber yard. I could never count the hours we spent playing croquet in your side yard. Remember the cookout when I dropped your hot dog? Picking strawberries is a story in itself. Poor Mrs H! And Girl Scouts- even though you moved, we still went to Roundup together. I’m so glad we reconnected through social media in later years. I love you my dear friend. Rest In Peace and with our Lord.

“ Kathy,
You were one of the kindest people I have ever had the pleasure to know. Your smile lit up the room. You were always able to see the good in everyone and everything. I know you taught me things both work and life related. A beautiful light has gone out of this world. You will be missed dear friend.

“ Kathy,
You welcomed us as your new neighbors and our friendship was born! We enjoyed your laughs and wonderful sense of humor and although our time in your life was brief, we will cherish your memory. We knew God was giving us a blessing with your friendship and we thank you for allowing us into your life.

“ Kathy, Your kindness, trust, generosity and “love for all” are just a few of your amazing traits. I will miss you in the same way as I miss your dad. I will think of you often and know you will always make me smile. Now; you are with your family again. Thank you being my friend and always making me smile.
God Bless you. Nothing can be better than standing beside Jesus

“ Kathy’s honesty, trust, kindness and generously are only a few of her amazing traits. God spoke through her on many occasions. She was her Dad.
God Bless you both in your Eternal Life. Amen
