

Adam Justin Craig

March 3, 2014

Adam Justin Craig, 36, of Mullica Hill passed away on March 3, 2014. Born in Woodbury, Adam was the son of Gloria Craig-Iommie (Hasty), and the late William C. Craig. It is often very hard to sum up a person's life within a few paragraphs, but for Adam it can be said "to know him is to love him". Over the years, he has fought some very serious health issues and you would never know it. He would never let anything hold him back and he often pushed himself beyond his limitations. He was a man of faith and conviction who loved his family and friends. He looked forward to and cherished every moment he had with them. Especially with his nieces and nephews whom he had a very special bond with. Adam overcame his struggles by using his charm and unique personality and at the same time, he taught us to love and live life to its fullest.

He is survived by his mother and father, Gloria Jean & Angelo Iommie; siblings, William (Kelly), Jennifer (Peter), Gilbert (Natalie) and Christopher (Katie); nieces and nephews, Billy, Justin Adam, Emily, Danielle, Angela, Mary and Jacob, as well as his many cousins and extended family members who love and miss him dearly. To all I wish to say until we meet again, "Love You Lots!"

Services will be held on Saturday, March 8, 2014 at the Clonmell UMC, 516 W. Broad St., Gibbstown, NJ 08027. The viewing will begin at 10 AM with the

service following at 12 PM. Interment will take place at St. Mary's Cemetery. The family has suggested that donations can be made to the Histiocytosis Association, 332 N. Broadway, Pitman, NJ 08071 (www.histio.org) in Adam's memory. www.adamsfuneralhome.org

“ Adam,

I can't begin to express how empty this world is without your personality and humor. You were one of my best friends and I still consider you to be one of those I will think about for the rest of my days. Thank you for everything you did for me when I was growing up and I wish we could sit back and laugh at our younger selves together. Adam, thank you for being you and the world is a better place for you having been in it. I will always miss you until we meet again old friend and in heaven maybe we can take a spin in your old white camera for old times sake. Take care my friend and may god continue to bless you in heaven.

“ *I use to work in CVS Mullica Hill, I was the Hallmark rep. Adam use to come in to get his scripts and go down the card aisle to go to the pharmacy. He would always say Hello and we would share stories about our diseases. Adam always had a smile on his face and would talk to me as much as he could. I was just diagnosed with scleroderma a rare immune disease and he would share what he was going through with histiocytois. For some reason he always lifted my spirits. At times we would also meet in Shop rite and again he always made me feel better about my disease. He truly had a greater vision. My condolences to his family and friends. His spirit will live on in my heart forever.*

“ *I would like to express my condolences to the family and friends of Adam Craig. Our Heavenly Father knows the pain we feel when we lose someone and promises to be with us in times of sadness. (Psalm 34:15-18) I hope you will find comfort in His promise and in the many happy memories you all made and shared together.*
