

Alice Jean Kazanecki

November 26, 2020

Alice Jean Kazanecki passed away unexpectedly but peacefully on November 26, 2020. Alice was born in Linden, NJ on February 25, 1943 before moving to Elizabeth, Madison Park and finally planting roots in Pennsville, NJ.

Alice was the heart of the family, a tireless homemaker and wonderful, caring mother to her two sons and daughter. She was always there for her children, from running them to school and events to babysitting their sweet grandchildren. She enjoyed spending time with her grandchildren, was an avid gardener and loved tending to her beautiful rose garden by the pool. Her other favorite hobby was shopping.

Alice was preceded in death by her parents, Genevieve and John Benesch, her brother Walter Mankowski and her son John Jr. She leaves behind wonderful memories to cherish for her husband John Kazanecki Sr., son Jim Kazanecki (Tina), grandson Tyler, daughter Susan Winnington (Dennis), granddaughter Hayden and grandson Ivan.

There will be a private service and graveside memorial service for immediate family only.

“ It has been almost 30 years since I saw you in person, and I can honestly say that not a day went by that you weren't in my prayers and will continue to be.

I take solace that you are with Daddy, Grandma & Pop-Pop, and John John. I envision you all embracing- the love is overwhelming!

Rest peacefully knowing that your wonderful family; Uncle John, Susan, and Jim, and your beautiful grandchildren will hold tight to each other, and love, the way you taught them.

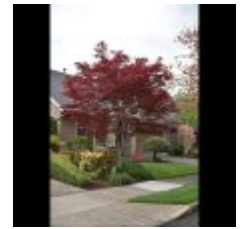

One day we will have our reunion as well until then I send all my love, thoughts, and prayers up to you.

I love you, Aunt Alice!

“ The last time we saw each other was over 25 years ago, but I remember like it was yesterday. Sharing birthday cake and wishes for Lea. I remember you John and Alice standing in the driveway as we drove away. My heartfelt sympathy for your loss goes out to each one of you. Not to sound trite but when you need her the most touch your heart and she's with you.
