“ Growing up next door to the Warfields was always an adventure as a child.
Always something to do and many childhood memories.
Big Al was always in my life as a child and teen. From him driving me down to OC to hang with little Al on the beach to his great wisdom sessions he would impart on life's journey.
He was always good for a good joke and a hardy smile. I remember him in the Shop, out in the yard, or just relaxing in his favorite chair.
Big Al always spoke his mind and was a good Husband and Father.
He will be missed.
