“ I am so sorry to the Miller family that this has happened. Allen and I did a lot together growing up. Sleep overs, fishing, A Lot of basketball, getting in to trouble, and working hard cutting and splitting firewood with Allen Sr. Although we lost touch throughout the years we would catch up briefly every once in a while. The Miller family as a whole was very good and kind to me growing up and Allen will definitely be missed. My sincerest condolences to the Miller family and his friends.
