“ Alma would always let me come to the BK that we worked at and get free food when I was off! I was a very obnoxious teenager at the time, but she was always kind, caring, and allowed room for Fun at work. I remember the kind of impact that had on me. She was an adult you could feel comfortable around and wanted to work hard for. Now that I'm a therapist and work with teens, I try to treat them the same way. Alma was a great lady, she will be missed.

“ Friant family I'm sorry for your loss. Alma welcomed me into the family over 30 yrs ago during the crash crew stages. Had good times coming over eating whatever she baked that day. Her smile and laughter would brighten up the house or anywhere I seen her. She will always be in my heart. Love you guys.
