“ *" Uncle Al" was my Dad, Francis Blevins, best friend. His sister's were Godmothers for my two sisters and myself. Our families had close ties and when my Dad was so ill with Leukemia his buddy Al was there to help him over the rough spots with his apple a day. He was always there with words of encouragement. He was truly a favored "Uncle". I am so glad that he will finally be reunited with my Dad in Heaven for all eternity.*

*My deepest sympathy to all his nieces and nephews we grew up with thru the years. I am very sorry that I am unable to come up from Florida for the service. My heart and prayers will be with all of you. Thank you for sharing your Uncle with our family.*
