“ Uncle Joe and guys;
It is sad to think of your lose today. Aunt Ann was super woman and i loved her laugh...full of life. My one great memory was her walking all the way down to the Big Cabin picnic tables with a very large and full fry pan of baked beans and just as she took gingerly steps to place them on the table, the handle broken over overturned them on the ground. The look on her face was priceless. Sp were the comments. [lease accept this memory as a love offering. My Jesus save and heal you.
Mike
Another good one was kicking the bowling ball in the yard. I wasn't there but remember her telling it. :-).##imported-begin##Mike Sheridan##imported-end##
