

## Anthony Charles Sassi

July 9, 2018

Anthony Charles Sassi, age 53, of Pennsville passed away on Monday, July 9, 2018 surrounded by his family and friends. Born in Mannington, he was the son of the late Patrick and Dorothy (Pedrick) Sassi. Anthony was a 1984 graduate of Pennsville Memorial High School and in his early years, he worked for A. Clemente, Inc. But he spent the bulk of his career working for 26 years at Mannington Mills, Inc. where he was a production operator. Over the years, Anthony and his wife Vickie attended the Sharptown United Methodist Church and the Hope Community Church in Pilesgrove.

Anthony had an enormous appreciation for music and loved going to concerts. He had an extensive collection of vinyl, 8-tracks, cassettes and cd's. He also enjoyed going to the beach, going on amusement park rides, going to car shows and seeing the classic cars, and spending time in his man-cave in the garage. If you lit a bonfire, you could guarantee that Anthony would be there. He will be remembered as a very kind and loving soul and if Anthony loved you, you knew it!

Anthony is survived by his loving wife Vickie (Hannah) Sassi; his stepchildren Adrian Holmes of Pennsville, Shana Holmes of Quinton and Patrick Holmes, Jr. of Pennsville; his siblings Loretta Carroll and her husband Blaine of Vineland, Robert Sassi and his wife Vanessa of Pennsville, Susan Mahala and her husband David of Lower Alloways Creek, David Sassi and his wife

Constance of Woodstown and Sharon Dunkle and her husband George of Cedarville; many nieces and nephews; and his cat Whiskers.

Services will be held on Saturday, July 14, 2018 at the Sharptown United Methodist Church, 24 Church Street, Pilesgrove, NJ 08098 with a visitation from 9 to 11 AM and the funeral service at 11 AM. Interment will follow at Lawnside Cemetery in Pilesgrove. In lieu of flowers, the family has asked that donations be made in Anthony's memory to The Leukemia and Lymphoma Society, Donor Services, PO Box 98018, Washington, DC 20090-8018 or online at [www.lls.org](http://www.lls.org).

“ My brother where do I start! He was one of the strongest people I’ve ever known! Always ready for a good time and boy we had many together! He had an infectious smile that made everyone around him smile. He was silly simple and crazy and just wanted to make people laugh. We would laugh so hard we would hyperventilate! I should have spent more time with you these last couple months, I knew you were getting tired. You will always be in my heart and will never be forgotten! We love you so much! 💔

“ I would like to share some memories about my uncle tony.. 1st being the oldest niece had its advantages.. I got to grow up with an uncle that was close in age to me.. my mom used have parties almost every weekend and of course my uncle never turned them down.. I got see him torture my aunt sharon by hanging her stuff animals from ceiling fan..he had the always had the best music around and I would sneak into his room to listen to them..one day he caught me and felt bad, so he said i could copy them.. I'm sure there were more memories.. he will be missed...

“ Tony,

*My brother wow, where laughter, love, smiles and just great times once lived now is filled with heartbreak, emptiness, sorrow and just a feeling of being lost. Life will never, never be the same without you. The love you had for family and friends were at a level though i strive to attain will never be able to match. You were such a loving, caring, forgiving person.*

*I have lived and thought foolishly wanting you to spend more time with me working on jobs and projects so you could learn how to do more things. while all the time i should have spent more time with you learning to love, care for and spend time with family and friends. I lost a great brother. I am so sorry i was not there for you as much as i should had, so sorry i didnt take better care of you. I am lost..*

*your brother dave*
