“ *My sincerest condolences for the loss of your mother. She was a sweet, sincere and caring lady! She made the best rice pudding and was willing to share with the Elmer Rotarians. We appreciated her generosity. May God be with you always and keep remember to keep your memories close to your heart!*❤️

“ *Chris and all the family; So sorry for your loss. Many great memories flood my thoughts right now of all the good times we shared - mostly at the County Fair. Your mother always kept detail records of every class at the dairy show. She will be greatly miss by you and your family as well as the rest of us who were blessed to be part of her circle of friends. Reaching out with prayers for you and all your family. God Bless! Love, Mary Anne*

“ *Arlene was a kind gentle woman who loved caring for her grandchildren and working with her husband Lee. She was faithful to her church, attending as often as she could, even when in great pain from her arthritis. My blessings to the family. I hope when you are able to have a memorial service it will be as nice as Lee's service was.*
