“ Mrs. Adams was one of the most dedicated teachers I ever had. I remember my "AHA" moment when she woke me up about the world of Mathmetics in Geometry class back in 1973. She was a wonderful woman and teacher and she will be missed.##imported-begin##Jerry Berry##imported-end##

“ My mother truly loved her career as a teacher at PGHS and she enjoyed working with her faculty and students. I appreciate hearing all the kind words from her former students. I'm envious that I (being a former Woodstown student) would never have the opportunity to be in her classroom during my high school years. Then, I pause and then I realize that I had the pleasure to have been a student of Mrs. Adams for 38 years of my life. I am forever grateful for her wisdom, love and her guidance through the years. She was truly an inspiration to me as a devoted and loving wife to my father for 48 years, a disciplined and caring teacher for 39 years, and a loving and nurturing mother for 38 years. She along with my father set a high parental example that one day soon I hope that my wife Jennifer and I can emulate with our own children.##imported-begin##William Curtis Adams##imported-end##

“ To the Family and Friends of Barbara Adams. Our prayers are with you as you celebration the many memoies of her life, and witness the reality of her death. Graduating from Penns Grove High in 1973, and returning from time to time to participate in various events at the school before her retirement. She would always remember who I was when we would greet each other. It was always a joy to greet her. She was always the same joyous, caring, and professionally serious person that she has always been down through the years. I know we all will miss her, but we take comfort in the fact that she was blessed with a wonderful family, and a good life; and although she is gone from us, she will never be forgotten. God bless you Family, and may He grant you all the strength that you need to face the tomorrows ahead.##imported-begin##Bishop Freddy Washington##imported-end##

“ I am so saddened to hear of your wife's passing. Three year student of hers! (65-68) She was terrific. Our 1969/40 year reunion was in the Grove Saturday nite; had dinner with Jim Field at the event and he mentioned that the two of you were retired. I just received word today; have sent msgs along to a number of other PGHS'ers around the area and the country and expect you'll be hearing from some of them. My fullest, sincerest condolences to you and your family.##imported-begin##Bob Cooper##imported-end##
