

Barbara Lois Niebauer

May 4, 2024

Barbara Lois Niebauer, 80, of Pedricktown, NJ passed away on May 4, 2024. Born in Martha's Vineyard on April 11, 1944, she is the late daughter of Jerome and Dorothy Stambler.

Lois was a talented crafter who made beautiful items, including stained glass, wreaths and amazing quilts for friends and family. She most recently added knitting to her repertoire and could often be found working on or planning her next project. Lois was one of the original members of the Wenonah Depot Quilters. Though Lois loved her fiber arts, it was nothing compared to the love she had for her family. Whether it was spending time with them at home or traveling around with just her husband. Lois had such a big heart, she was so full of love and compassion. Her kindness knew no limit, as she was a big supporter of many charitable organizations.

Lois is survived by her loving husband of over 60 years Walter C. Niebauer, her two children Kimberly (William) Patrick and Walter (Sarah) Niebauer, her two grandchildren she loved very much Haley Patrick and Christopher Patrick, as well as her sister Judith Zinman and family.
