

Benjamin Michael Graham

March 30, 2018

Benjamin Michael Graham Age 3 of Elmer, NJ passed peacefully from the arms of his parents into Heaven, Friday, March 30, 2018 at 4:10 am. Ben-Ben as he was called, was the middle of 5 boys born to Wayne Graham and Amanda (Picchi) Graham April 17, 2014.

Ben fought a very brave battle against a rare form of Neuroblastoma, a Pediatric Cancer, that he was diagnosed with at 18 mo. of age. Sadly, Ben had the worst possible case due to very rare mutations. Those mutations made his cancer difficult to treat. Ben was a fighter from the start. In utero he was diagnosed with Hydronephrosis. At his 18 Month ultrasound they discovered a tumor on his right adrenal gland. Days later after its discovery Ben underwent his first surgery in October 2015. In January of 2016 scans were repeated and at that time they discovered a tumor completely surrounding his stomach. He was then diagnosed with Stage IV Neuroblastoma. Ben would go on to have yet another surgery and countless rounds of Chemo, radiation and a stem cell transplant. He went into remission and relapsed in June of 2017. From that point on it was a fight to find treatment that would put him into remission. Trips to various hospitals for consultations and numerous different chemo drugs, radiation and immunotherapy drugs all failed. Ben underwent more chemo at the end of December 2017. His condition deteriorated from that point on. He spent 46 days in the hospital only to return inpatient within 5 days after he was home.

His pain was not able to be controlled at home. He was readmitted to the hospital and underwent additional treatment all the while continuing to have heightened pain. It was then discovered on March 23, 2018 that his cancer had returned and had invaded all of his organs and was out of control. There were no options for any further treatment for him. It was a huge struggle to get pain medication adjusted for him and after his body could not fight any longer he peacefully entered the gates of Heaven on March 30, 2018.

Throughout the course of Ben's illness he was sworn in as an Honorary New Jersey State Trooper, Camden County Police Officer, Philadelphia Police Officer, Atlantic County Sheriff, Elmer Fire Fighter, Mizpah Fire Fighter and Malaga Firefighter.

He is survived by his loving parents, 4 brothers, Wayne Jr., Jaxson, Joseph and Dominic. Paternal Grandparents Harry and Elizabeth Graham, Maternal Grandparents Joseph Picchi and Melinda Picchi and numerous Aunts, Uncles, and extended family and friends.

Services for Ben will be Thursday, April 5, 2018 at the Elmer Grange Hall, 535 Daretown Rd., Elmer, NJ 08318. Public viewing from 1-4 pm and services will start at 4 pm. Immediately after the service Ben will be led by the New Jersey State Police, Elmer Fire Department and various other Police and Fire departments in a procession honoring him. After the procession the family will return to Elmer Grange to host a gathering honoring Ben's beautiful life.

In lieu of flowers the family has requested that donations be made to: All In To Win Foundation, 4801 Gulf Blvd. #197, St. Pete Beach, FL 33706 Donations can be made online at <http://allintowinfoundation.org> In the memo section please reference "Ben-Ben". Donations will be used for research for Neuroblastoma and assisting families of other Neuroblastoma children with financial help.

He fell asleep with it while holding my hand n each time I tried to move away, he would start to whimper a bit until I was holding his hand again. This happened about 5 times before I was able to let go n get to the meeting. He looked so peaceful n didnt seem to b in pain...

“ I will always remember the bundle of energy Ben was as Wayne and Amanda would chase him through the halls of CHOP to make sure he didn't pull his lines. My heart and prayers go out to the family. I know Nico was there waiting for him as he got such a kick out of his antics when he saw him around CHOP. Peace to you all.

“ I will never forget the day that you told me what was going on with him. It was a horrible day. When you said he had neuroblastoma my heart dropped. He is, was and always will be a miracle boy. He has touched more people in his all too short life than people do in a lifetime. I will always be here for you. Sending love to you and your family.... Fly High Ben
