“ HOLD US UP LORD

*Lord we know You're always busy,
For your many things to do.
But, when sorrow overcomes us,
We will need to talk to you
For we've lost someone precious,
And he's with you there above.
He's someone that we needed,
And he's someone that we loved.
We are feeling lost and all alone,
And though we do believe,
We need you Lord to hold us up,
To help us while we grieve.
Please give us strength and courage
Lord to bear what we must bear.
And nudge us when our faith is weak
To remind us You are there.
God give us hope for our tomorrow,
Tell us life will still go on.
Show us Lord that all the darkness
Will be followed by the dawn.
You have lead us through so many things,
You've pulled us through before,
Hold us up Lord till we're through this,
And we are strong once more.
