“ I lost my oldest dearest friend on Thursday. We were friends since I was in kindergarten and Betty was in first grade. We shared so much together good times and not so good times. I was in her wedding and she was in mine. It was so much fun working with Betty at the Pharmacy. When I asked her to come work for us, Ron said it was going to ruin a good friendship. But it didn't. We remained close even when I moved to PA. I loved FaceTime we shared so often. We went shopping and out to lunch every week when I lived in NJ and as often as I could get over there after I moved. We shared secrets and thoughts that we would never have shared with anyone else. Ronnie, Connie and Donnie and your families know that our thoughts and prayers are with you as you have suffered a great loss also. Nancy and Joe

My condolences to Betty's family. I met Betty in WaWa about 3 years ago. She was a loyal customer and yes loved her vanilla cappuccino and Bannana Muffin. Betty impressed me with her Youthful Spirit and Plesant Personality. She is truly missed at WaWa, but I am so thankful to God for getting to knowing her.

Sue and I will always remember your mother as a beautiful person, very caring and always willing to help out when she could. When Betty worked at our print shop she would always bring everyone's spirits up with her smile and special brand of humor.

Donnie, I was fortunate enough to see Mom when she was in Cumberland Manor. My dad was there too. We shared a few laughs, hugs and tears. I loved Betty B like a Mom growing up, and you were my closest friend. Whose mom goes to visit their best friend, (Betty B visiting my mom) when I was born, and goes into labor with you?! We were in the nursery together, grew all the way from babies to high school together, worked together, I even drove your beloved AMX. Your Mom was so special to my mom, friends forever. I'll never forget such a kind caring and loving lady. My prayers are with you and your children, and Connie and Ron's families as well 🙏💕

I just heard of your mom's passing. We went to BHS together and graduated in 1958...I chatted with her recently(maybe 6 months or so) as she came to some of our class luncheons monthly. I tried to get her & I to do something together but she never got back to me..we would talk about high school days, etc...I am so very sorry for your loss!
