“ Steven/Kathy, Michael/Suzie, & Lisa, and families, I was so sorry to hear of Dolly's passing. I will always remember the fuss she would make when we came to visit, Especially when Dad and Josephine came home from Florida at Christmas. Dad would feel the need to tell Dolly what and how to do things, and she would smile and say I know Dad. I pray the many years of wonderful memories you all have will help you thru this time of loss. Those memories are a treasure that become more precious with time. My heart is with you all, know that your Mom is in a much better place and finally with Eddie that where she wanted to be Hopefully Dad isn't already telling her what and how to do things! Love you all! Aunt Linda Pajic
