“ My husband and I would like to convey our deepest sympathy in the lose of your beloved Beverly. Words are hard to express at moments like this, but we truly understand the pain of losing one so dear, so we wanted to share with you something that brought us much comfort, John 11:14-44. Here it shows us the experience of Lazaurs, whom Jesus resurrected here on earth, before the very eyes of those he loved. We can only imagine the tears of joy, when we too are reunited with our dear loved ones. (John 5:28) I'm sure Beverly will be missed by many of those who's lives she shared, cherish the fond memories and hold them close to your hearts. May you find comfort from the Holy Scriptures and those who surround you at this very difficult time.##imported-begin##PJ##imported-end##
