“ *I worked with Bev for over 20 years while at Elmer and have many, many fond memories of her. She was one of a kind and knew everyone and everyone knew her. She'll be missed by many who's lives she touched over the years, and knowing Bev, she'll continue that work, only now in a higher office. God Bless you Bev.##imported-begin##Robert Mc Namara##imported-end##*

“ *I'll miss Bev very much; worked with her in Volunteer Office for 17 yrs; We were known as Big Bev and Little Bev. She was a wonderful friend, shared our faith, went out to dinners, lunches, I know she is with her Lord and Savior and rejoicing. Shared common interests, music, cross-stitching, crocheting, reading books. While I was sick she contacted me every other day and said she was going to be a pest. If she could help she would, did.##imported-begin##Beverly Clay##imported-end##*
