“ *Bob and Michael,*

I am truly saddened to find out about the loss of my dear friend Bev. She was my best friend all throughout high school as well as a bridesmaid in my wedding in 1957. I think of often and always will.

“ *Dear Bob and Michael and Family*

So very sorry to learn about Beverly. May the many wonderful memories you shared over the years help you remember the good times and the love.

I have wonderful memories of Bev and the time we shared at Dupont. I will always remember her laugh and her willingness to share what she knew with those of us who were new to the job. Every day we laughed so hard we would cry. We all were instrumental in watching you grow up Michael. She was so proud of you Michael. You provided Bev with many children to surround and love her. Bob, it is a tribute to your marriage that you fulfilled your wedding vows - for better or worse; in sickness and in health for as long as she was with you.

I know that the love of your family and friends will be with you always through this most difficult time.

God Bless You.

With Love, Joanne Leigh - one of Bev's Many Friends at Dupont.

“ I am so sorry to hear about the death of Beverly Massi. She and her husband Bob were extremely close friends of mine and I thought that they were just a fabulous couple. Bob did a terrific job as my bailiff for many years and I enjoyed Bob and Bev's company immensely. Her loss is going to be deeply felt by many.

“ Bev was my cousin but more my big sister growing up. We did a lot of things together for a long time. I love her and will always regret not getting over to see her. Thank you, Bev for all the memories.

“ I grew up with Bev; she was a year behind me in school (I had skipped Kindergarten). I lived on Union Street, and she lived on Broad Street, near Roberts' Market. My father, Harry G. Butler, Jr., worked for the bank when Bev did.

Please accept my condolences.
