I worked with Brant for 10 years and him and I became good friends. He was a good dude who told it like it was I liked that about him. He took care of the guys the best he could (if he liked you 😂). He always had a story to tell and you could hear him 10 minutes before you seen him.. when he comes up in conversation everybody gives a little smirk cuz they know it's going to be something crazy. You will be missed Brant. Rest easy my brother.
