How many good, kind, words are there to describe how cherished of a Friend you were to us? May I live by your example, may I always embrace your kindness and may your loving memories live on in my heart FOREVER.

I shall never forget the way you made me laugh, ALL of your most wonderful cooking and baking, The times you listened and understood... when I was really down. You were a gem of a friend. I will LOVE you forever. Thank you for all that have ever done for each of us.

Oh, and did I mention the Red Velvet Cake? Best Ever!

“ I will miss you dearly although I haven't seen much of you in recent years. We had soooo much fun working together in our little businesses and raising our girls together. The gentleness, kindness, and love you've shown others will continue in the three wonderful girls you've raised. RIP my friend. Someday we will be making those baskets in Heaven! I love you.

“ *Brenda,, Knowing You and being Your Friend has made Me a better person watching Your kind, loving, easy ways made Me realize to let go of things that may be out of Our control and Love Life for what it is. We are all on this journey crossing paths with the people that help and are there for Us along the way for a reason and I am sure proud that Our paths crossed and You were a Dear Friend to Me....You are Truly a woman I look up to and Admire and Love You so very much!! I will Miss You Greatly but know You walk with Us now Daily. May You rest now and be free from all of the struggles and sacrifices You have made which God is so observant of and will grant You eternal Peace.... Love You My Forever Friend.... Mary <3 xxxxo*
