

Brenda Hackett Hall

February 18, 2022

Brenda Lynne Hackett Hall, age 71, of Woodstown, New Jersey passed away peacefully at her home on February 18, 2022. Born in Woodbury, NJ and growing up in Daretown, NJ, she was the daughter of the late Quinton Reeves Hackett and Mildred Lillian (Schaeffer) Hackett. Brenda was a 1968 graduate of Woodstown High School and went on to further her education at Del Tech. On January 26, 1968, she was married to John F. Hall and the two laid down their roots in Woodstown and started their family, raising their daughter, Jill.

Over the years, Brenda worked as an office manager for NKS Distributors which later became Century Wines and Spirits in New Castle, DE. But Brenda's legacy will be that of one who was always active and working to do something to improve her community. She was involved with 4-H while growing up. She was a member of the Jayceeettes of Woodstown and was a Starpoint Ruth with the Order of the Eastern Star in Woodstown. Brenda was extremely involved with and served as the first and only woman Chair of the Salem County Democratic Party and was a charter member of the Salem County Federation of Democratic Women (SCFDW). She also served for the last fifteen years as the Vice Chair of the Salem County Tax Board. Brenda truly enjoyed going down to the shore during the summertime at Cape May Court House. She was a fantastic cook and she loved putting on dinners for various occasions.

Brenda is survived by her loving husband of 54 years, John F. Hall of Woodstown; her grandchildren, Andrew Reeves Hall Beals, currently attending college at Appalachian State University and Sarah Lillian Hall Beals of Charlotte, NC; her sisters, Sandra Dorrell of Woodstown and Eileen Blum and her husband Richard of Daretown; her sister in law Barbara Worrall and her husband Albert of Fountainville, PA; her son in law Aric Beals of Charlotte, NC; and many nieces and nephews. She was predeceased by her parents and her daughter Jill Deneene Hall Beals.

Services will be held on Friday, February 25, 2022 at Adams Funeral Home, 64 Broad Street, Woodstown, NJ 08098. There will be a visitation starting at 9:30 AM leading to the funeral service at 11 AM. Interment will be private.

In lieu of flowers, the family has asked that donations be made to the college trust fund that has been established for Andrew and Sarah at Franklin Bank in Woodstown.

“ John,
Please know that I am heartbroken to hear of Brenda's passing. I don't show my feelings well, but you and Brenda had a special place on my heart because of Jill. Hanging out with her was the best. You and Brenda would feeling like second parents sometimes. You have my thoughts, heartfelt loss, and compassion. Please reach out if you need anything. ❤️ Bonnie

“ John, take comfort in knowing Brenda loved you so much that you were the one she was worried about when her own strength was failing. When I visited with her we shared both laughter & grief & her tears were for you being left without her after so many years together. Please take care of yourself and know that you are surrounded by people who care about you and will help you in any way that they can. My memories of Brenda & our fun filled high school years is something I will always cherish and I will smile when I remember the two of you as a young couple ;) Let Sarah & Andrew know how much she cherished them and wants only the best for them. Remind them that through these tough times they were so loved by their grandmother & your precious daughter Jill. The greatest gift in life is the love we give to others and my prayer for you all is to remember and cherish the love that Brenda had for you. She is with Jill now. May you all find comfort in that. May the God of all comfort hold you in His arms as you go through the loss of someone irreplaceable. Let me know if I can help in any way. Love & Hugs ❤️

“ *We had great times together in the 70's! Not only did we have fun with Jill and my kids but we had some adventures! Two that especially stand out in my mind ..1) the time we were sanding the living room walls and the sanding dust (our men were working 4-12) was billowing out the side window- Alga Motisher came over to bang on the door to see if we were ok- she thought we had a fire and was planning to call the fire company! 2) I was frying bacon when Brenda saw me and said "what are you doing? You lower the heat, turn it gently, don't rush it " and she proceeded to show me how- it seemed like she was loving the cooking of that precious meat because she had love for the piggies that provided that! To this day, whenever I cook bacon I think of Brenda and remember that lesson!*
