“ Memories//Brett Pollock

*I have a special place in my heart
Which is dedicated to my memories
Of special people in my life
Memories which are precious to me
Which I will connect as beads
On an expensive necklace
And from time to time
I will pull them forth
And remember times
When we did so many things
When we shared problems
When we were brothers and sisters
A time much too short
And of times which I will cherish
Like the precious memories
Which I have strung together
And stored in my heart
Memories of times with Brett
Memories of challenges
Doing things to see
Who will spend
more time
In the ISS room.
Memories of childhood pranks
Sometimes getting caught
Daring each other
Applauding our antics
Tucked away in our hearts
Memories of times gone by.
