“ *Brian I will miss seeing you at moms and I will miss everything about you - you made me want to scream at times and made me laugh at times like the time I gave you a hair cut during Covid and made you bald and you were so mad at me and I almost peed myself from laughing so hard ! I will miss cooking for you and forcing you to come walk at the pennsville park with me ! I will miss you everyday until I get to see you again ! ❤️💜*

“ *The loss of my uncle Brian came so unexpectedly. It almost doesn't feel real. My heart is beyond heavy. I hope you're smiling up there with mommom and poppop. I love you and I'm sorry I didn't listen to your music with you when you asked.*
