“ Many fond memories are of my uncle, one that stands out is when I
was young and we all lived in Ordmont in Penns Grove and my
father was always working, he took the time to take me fishing on
the Delaware River and teach me! He might not of had much but his
heart and loyalty to family was overwhelming! You would never
know this unless you took the time to get to know him and except
him for him, a loving man, father, son, brother and mostly an uncle! I
took the time to know this judemental man! He will be missed but
not forgotten! Rest in peace!##imported-begin##Ed
