“ *My memories of Aunt Carol are when I come in from out of state to visit her. She always wanted to know about my family and how everyone was doing. She was always caring, made me feel very welcome when I came. I will remember her for being feisty and telling you what she thought, no matter political or her love of God. She will always be remembered with the past, the present, and future. RIP.*

“ So sorry for your loss! Carol was a fun loving lady who probably never met any strangers. She loved to talk and reminisce. I took (Uncle) Mark Jess to visit with her a few years back and they had a great time talking about family history and old times. She loved her Lord Jesus Christ and is now enjoying her time with Him and all her family that have gone on before her. Keep her memories close and we will keep your family in our prayers.

“ Sending prayers and hugs to the family. Growing up in Pedricktown. Many fond memories of Carol and the family. Babysitting for the family. It always get harder when you lose a friend you have known almost all your life. Pedricktown lost another great person who help keep the history of the town for the younger generation and for the new families that have decided to call Pedricktown home. RIP Carol.

“ *Joey and I are so happy that we had the opportunity to visit with Carol over the Summer.
It was so nice sharing stories and getting to know her more on a one on one level.
Her love for our Lord and her family were so obvious to me.
May she rest in peace and may her family be comforted in knowing she is home and in the cherished memories.*
