“ I never thought that you would have passed so suddenly mommy. I wish that I had more time with you but, for the years that I had with you they were great. Yes there was family issues but what family does not have issues. You worked so hard to be both mom and dad to us and i appreciate that. I'm going to miss us watching movies together, going swimming, and are GIF wars on messenger they were great.

The last thing that I never got to tell you before you died is that i'm going to try my best to make you proud, I love you mommy. Tell dad that I love him too. You got 6 years to catch up with together so better get to it. Love you rest peacefully

Your best and favorite child, Bethany

“ Sending prayers and my deepest condolences to celeste's family and her children. I can't imagine what you all are going through. If you need anything just ask. I will always remember our friendship and her kindness and the day we met at Salem Memorial hospital as candystripers. May God bless you all.
