“ Dear Don -  
We haven't known you long, but in the “relatively few” years we've been in Ocean City, Chris and I have grown fond of you and Charlene. She was always tickled that I could remember her name. We are so sorry for your loss and send loving thoughts to you and the family.

“ As I sit 6000 miles away in Italy my heart is with you Don and children. Charlene was a shining light and a beautiful lady. Class of 57 always welcomed her as an honorary classmate. And she lived being the youngest. Don as we shared our lives from toddler days to now I always want you to know the miles apart mean nothing as you are in my heart forever. RIP beautiful Charlene until we meet again.
