“ *I will always cherish the many memories we had as kids. Swimming, talking on the phone to boys past phone cerfew, and just spending late night staying up talking. She also introduced me to two other great girls. Mandy Steffier and Collene Burke. Good times....good times. I'll miss you and love you always. Thanks for being great.*

“ *Always you cared about what people thought I use to tell you don't waste your energy on that .Always you use to tell me how proud you were of me and always you would tell me I love you and you use to say that every time when we would talk.We never made it to the mountains like we said we would .I wish I could have been a better brother and been there for you.,but you knew all along and understood what we had in common and the encouragement we use to share was priceless.Always you would laugh at me and say you crack me up!!.All I could do was laugh with you .God took you for his own now,Never will I forget your laugh.Always I'll remember you!!! Love Joseph*
