“ *Grandma Elliott, I was young so I don't have to many memories of you but I do remember sleeping at your house when we would visit my dad. My last memory of you was when you called to get my address to send me pictures of my dad and when I brought Cheyenne over to meet u n pop pop and Cheyenne was wearing the eagles outfit and we sat at the table and you talked about my dad and shared with me some of your memories of him. I know you loved him and now you are up in heaven with him. We love you and will miss you....*
