

Curtis W. Myers

August 29, 2023

Curtis Wilbur Myers, age 82, of Carneys Point, NJ and formerly of Knoxville, TN and Pilesgrove, NJ passed away on August 29, 2023. Born in Salem, NJ, he was the son of the late Norman W. and Gladys (Hall) Myers and was a 1959 graduate of Salem High School. Curtis proudly served his country in the United States Army from 1962 to 1965 and while stationed in Knoxville, TN he attended the University of Tennessee.

Curtis was a bit of an entrepreneur and was the owner of the Vol Motel in Knoxville and also owned a Diesel truck stop in Penns Grove, NJ. In his mid 30's, he sold his businesses and went on to start a career as an auto parts sales representative for Son's Auto Supply which would later become NAPA. Curtis was also a devout member of the Lutheran Church of St. Ambrose in Pennsville for 40 years where he served as treasurer off and on.

Curtis was a licensed pilot and in his younger years owned his own aircraft, but his true passion was operating and communicating Worldwide through his HAM Radio. In 1972 he studied for and passed the FCC examination, and was awarded privileges as an Advanced Class Amateur Radio Operator, assigned the call sign WA2JSG. In 2020 he applied to the FCC for a call sign change, permission was granted soon thereafter allowing him to begin using K2CWM as his call sign. Curtis was active in a number of organizations, the ARRL- American Radio Relay League (life member), the NAQCC-North

American QRP Club (life member), the SKCC-Straight Key Century Club (Brag Manager, and achieved the rank of Senator), and GCARC-Gloucester County Amateur Radio Club. Curtis enjoyed chatting with Amateur Radio operators from all over the World mostly using his favorite mode, Morse Code. Curtis also volunteered with the Salem County Office of Emergency Management and the American Red Cross. He was very proud of the fact that he had attended, and some years volunteered at the Legendary Dayton Hamvention in Dayton, OH for almost 50 consecutive years.

Curtis is survived by his daughter Chantal Scalzo of Memphis, TN, his granddaughters Sierra Rhoades, Maci Scalzo and Sofia Scalzo, also of Memphis, TN, his sister Mary Coombs and her husband Ed of Swedesboro, NJ, his nephew Scott (Allison) Coombs, his niece Ashley (Pete) Coombs, a great niece and nephew and his dear companion Maggie Masserini of Carneys Point, NJ.

Services will be private and at the convenience of the family. In lieu of flowers, the family has asked that donations be made to the Lutheran Church of St. Ambrose, 443 S. Broadway, Pennsville, NJ 08070 or to the American Radio Relay League (ARRL), 225 Main Street, Newington, CT 06111-1494.

“ I will truly miss Curt. He was one of the first hams I met going to Hamvention. I remember his stories of taking a nap with his sunglasses in the stands at HARA arena. I always looked forward to seeing him every year and our spirited discussions in Facebook. Photo is from Hamvention 2014 at Olive Garden. He was so much fun to talk to.

“ I have had the privilege of knowing Curt since the 1980's. He sold me Automotive Necessities at my Gas Station/Repair Shop and we always had common ground to chat about.

This was years before I became a Amateur Radio Operator in the early 1990's, after which we worked together with the Salem County EOC (Emergency Operations Center) holding weekly nets to assure operational readiness in the case of an Emergency, and Monthly net with the State EOC.

Also Curt was our Liaison for the American Red Cross, and would participate in the statewide ARC Net weekly.

All along the way, Curt has been a mentor to me, which was a huge encouragement, helping me to grow as a Ham Radio Operator. His fun loving spirit would always fill the room, and he enjoyed the challenges of honing his skills for some new Technology that would come along.

Most definitely he will be missed by many, and most definitely by me!

“ Again, sorry to hear. The last chatted with him on CW was 12-1-22. He was there to help me improve my skills. We also talked on some local repeaters. This sad news explains why he did not make it to the Friday lunch gatherings he was invited to. Dave KC3AM
