“ *I am Andriadi Dmitry. He was born in Russia. In 1998, he was chosen to join the Goodale family, under the student exchange program, lived for about a month and I remember these beautiful, happy faces. John is Cynthia's husband, her children John ||, Jennifer's daughter, Kevin's youngest son, who at that time was a fan of heavy music and Marilyn Manson. I searched for your contacts periodically, and quite unexpectedly I saw this page, I was very saddened by the news that Cynthia had passed away, she was a good woman, even at the age of 15 I remembered my American family! I will be glad to correspond and find out how you are doing.
Sincerely Dmitry*
