

Dr. Cynthia L. Masso

June 1, 2015

Dr. Cynthia L. Masso, 42, of Philadelphia passed away on June 1, 2015. Born in Camden, Dr. Masso was the daughter of Andrew & Bonnie (Kelchner) Masso. Cindy graduated from Glassboro High School in 1990, went on to Rutgers University followed by UMDNJ where she received her medical degree. Specializing in pediatrics, she went on to work in the emergency rooms at St. Christopher's and Virtua Hospitals. Most recently, she had been working at Delgiorno Pediatrics in Mullica Hill. Cindy loved to travel and going down to Sea Isle City but what she really enjoyed doing during her free time was spending it with her nieces and nephews. She considered each one as her child and they gave her an unbelievable amount of joy and happiness. Beyond her family and friends, Cindy touched the lives of so many and although she will be deeply missed she will always be remembered.

Her companion, Stevie Osbourne, mother, Bonnie L., her siblings, Deborah Eaise (Kevin), Richard Masso (Millie), Bonnie E. Masso (Owen Sturm) and Amy Masso-Ferrer (Cris) as well as eleven nieces and nephews survive her. Her father, Andrew, predeceased her.

A Mass of Christian Burial was held at St. Bridget RC Church in Glassboro on June 5, 2015. Interment took place at Hillcrest Cemetery. The family has suggested that donations can be made to The Eaise Family Foundation, P.O. Box 1064, Monroeville, NJ 08343. www.adamsfuneralhome.org

“*I did not know Cynthia, but I personally know sorrow and grief. My sincerest condolences to family and friends. This scripture from the bible comforted me. "Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving let your petitions be made known to God, and the peace of God that surpasses all understanding will guard your hearts and mental powers by means of Christ Jesus." I Philippians 4:6,7"*

“ I didn't know Cindy but my pets have been patients of Dr Masso's for about 12 years, i also know Bonnie and these are two terrific women. If Cindy was like them and I imagine she was, the world is a sadder place without her. Please accept my sincerest condolences of your loss of your beloved family member. Big hugs to you all.
