“ *Dan was a well admired older and fellow student of mind at both St. John's in Paulsboro and at St. James H.S. He was smart, classy and always had things under control. Dan was 2 years older than I but I respected and admired his success and his way of the world. May his family find Peace and Prayers.*

“ *Dan was a good man. Such a simple sentence, but so rich in meaning. Dan projected inner strength, consistently displayed thoughtfulness, and modeled right behavior.*

I am better for having been in his presence.

“ Danny was one of the nicest guys you'd ever want to meet. When I knew him in high school he was quite, reserved and such a gentleman. Lucille....you were always one of my favorites. My heart and prayers go out to you and your family.
