“ My deepest condolences during this sad time. Dan and I worked together, side by side for a few years, at VWR and remained close after he left for DuPont. He was my mentor at VWR, but more so one of the best friends I could have ever asked for. He truly was the brother I never had and I will miss his laughter, encouragement and friendship beyond words. My heart and prayers go out to you!###imported-begin###Rochelle Merino###imported-end##
