“ Our family simply wanted to extend our greatest sympathies to you and yours on the passing of Danny. I worked with him many years at DuPont Plant One and was grieved to read about his passing. He will be missed by all who were privileged to know him. May you be comforted in this time of sorrow.

“ Danny, you have been in our lives since I was 4 years old. I cannot express how heavy our hearts are with your passing. We are still in shock. We only pray that you are at peace, now with Daddy and your parents and our departed relatives. You and Isabelle were a beautiful love story. We all wanted to be like you two. Rest in peace, our brother, we will always love you and you will always be in our hearts and our memories. There is so much I already miss about you. So many hearts are broken. We will take care of Isabelle as your many friends will too, but we can never give her what she really needs & will miss..... YOU! Love always, Theresa and Bob XOXOXOXO###imported-begin##Theresa & Bob Satterfield###imported-end##
