“ *Susan and Family: My condolences for your loss. Susan, I was so sad to learn this. I knew Darryl and understood his problems. I enjoyed working with you to help him with the housing issues and I am sad to say I was not there when he moved out of Millville. I hope he enjoyed where he was living. And I wish you peace and love. You were a Wonderful Mother for Darryl and he loved you so much.*

“ *Please accept my deepest condolences for your loss. I know the grief and heartache can be overwhelming. May you find consolation in the reassuring words at 2 Corinthians 1:3, 4 that the God of all comfort will comfort us in all our trials. By drawing close to God for support he will draw close to you during this difficult time.*
