“ *Grandpop will be sadly missed but never forgotten. He was a kind and caring man He would tell us stories and jokes for hours on end. He remembered things from when he was a little boy. His stories were so interesting.*

*The memories of all of his beautiful wood crafting that we all have will keep him close to our hearts. He lived a long and good life and is now in heaven with the one he loved for so many years. He is at peace now with the angels above.*

*God Bless,*
