

David Wayne Grasty

November 23, 2024

David Wayne Grasty, 58, of Pedricktown, NJ, passed away on November 23, 2024. He was born in Mannington, NJ, and was the son of the late David and Lorraine Grasty of Carneys Point, NJ. A proud graduate of Penns Grove High School, Class of 1984, Dave continued his education at Salem Community College and Wilmington University, earning a degree in Business Management.

For twenty-five years, Dave worked at Avantor Sciences, where he most recently served as Global Director. He was a devoted Christian and active member of Sharptown Church, where he participated in many ministries, including teaching Bible studies and discipleship classes. His faith was unwavering, and he loved sharing the message of Christ with others.

Dave cherished his family and loved spending time with them, especially on trips to Disney World and Riviera Maya, Mexico. He also had a passion for coaching and mentoring young athletes, earning the nickname "Coach Dave" for his ability to inspire confidence both on and off the field.

Dave is survived by his beloved wife of thirty-five years, Connie (Mastrippolito) Grasty; his son Joseph and daughter-in-law Stefanie; his daughter Gina and son-in-law Daniel; his two sisters, April England (Fred) and Christine Pomponi; and his many nieces, nephews, and three grandchildren, Dylan,

Rylann and Duke. He was affectionately known as "Uncle Day Day" to twelve nieces and nephews and "Pop-Pop Day Day" to his grandchildren.

Dave's legacy of love, faith, and service will live on in all who knew him. He is now with the Lord, hearing the words, "Well done, good and faithful servant."

A Christian Service will be held on Saturday, November 30, 2024, with visitation starting at 9:00 AM and the service at 11:00 AM at Sharptown Church, 24 Church St, Sharptown, NJ 08098. “*Dave was the first manager from Avantor that I met way back when. I was inspired by how he spoke with such optimism. I will carry with me his encouragement and the way he walked in his faith. I pray that we all hold his memory forever in our hearts.*

“*Words can't fully capture the impact you've had on all of us at Avantor. You were, without a doubt, one of the friendliest and most caring colleague anyone could work with. You always put people first, making sure everyone around you felt valued and supported. Your intentions were pure, your dedication unmatched, and your energy limitless.*

You'll be missed heavily Dave, but your focus to care deeply, to give selflessly, and to approach life with boundless energy will stay in my memory for ever.

Thank you my friend!

“ I worked for and with Dave at Avantor. As “his hire” I learned so much from him. He was a talented leader who thrived on “connecting, communicating and collaborating” with his team and colleagues. Dave’s big heart, kindness and passion for mentoring will forever be an inspiration.

My thoughts and prayers are with Dave, his family and friends and anyone who was blessed to know him.

“ This was my last text to Dave after he shared with me that they had stopped treatment.

I just don't even know what to say Dave, I am severely heartbroken, for you, for Connie, Gina and the family. Thank you for being to transparent and open with me during this time, and for sharing all that you have. Like my Dad did, continue to build lasting memories with your family. Everyday that you are here on earth is one extra day we all get to hold onto. I don't want to even think about you not being a part of my life. You have made the greatest impact on my life in more ways than you know. My faith got stronger because of you. I couldn't ask for a better friend. I will continue to pray and ask Jesus to give us the strength to follow you through this journey. I am blessed to have been inspired and supported by you for over 20 years. You helped me to grow into the professional that I am today, I credit you for where I am at today in my career, you were always my biggest cheerleader. I love you and I will be here for you.

“ I was blessed to have had Dave as my friend. The times we shared together in high school and later, I will never forget. Although he struggled throughout his life with health issues, he never gave up. He lived life to the fullest with faith and love. His passion for life and family was infectious and I was drawn to him because of it. No matter how much time had passed, when we got together or talked, it was like no time had passed at all. He was a true friend that I loved and I will miss him dearly. My heart goes out to Connie, Joe, Gina, April, and Chrissy.

“ I'm so grateful for the 31 years I had Uncle Day Day in my life. From playing in the snow in the field behind his house as kids, to coaching softball, to family Myrtle Beach vacations and Eagles tailgates, there was never a dull moment with him around. Some of my favorite memories were listening to him and my dad share their childhood memories with us kids. We'll keep his memory alive but he'll forever be missed

“ Dave was one of the kindest most humble and inspirational humans I have ever met. His stories of overcoming personal adversity helped me climb out of one of the lowest moments of my life...the story gave me hope...the man showed me grace. God Family VWR will forever be in his voice in my head. Although I do automatically replace VWR with other humans in my head...he would understand. The heavens gained a good one. My heart hopes that all of these stories on what a great human he was down here on earth gives his family solace.

“ I had the great pleasure of working under Dave's leadership for over 8 years. Dave started my career at Avantor, "I am his hire!" Dave was an amazing person. I learned much from him. I appreciated his fairness, his kindness, his high standards for our team and his deep faith! Prayers to Connie and Gina! Dave, May the road rise to meet you, may the wind be at your back, may the sunshine warm upon your face and the rains fall softly on your fields until we meet again, may God hold you in the hollow of His hands. - Irish Blessing

“ I don't even know where to start.... Although Dave was extended family he was more like a brother to me. We grew up together and although we went our separate ways with our own families we had the type relationship where we would pick back up where we left off like time never passed. You hear people call themselves a Christian but Dave was a walking testimony for Jesus!! This world truly lost a very good person but heaven gained an even greater soul.... Rest easy my brother until we meet again, you will be missed.....

“ Dave was such a kind person, and I was honored to have worked with him for many years at VWR! He was always upbeat and focused. I especially remember a trip to Arizona when he won the President's Club at VWR--that was a fun trip and I got to see a more relaxed side of him. He had a great love for his family and faith. I'm so sorry to hear of his passing. Sending light and love to his family and friends during this difficult time.
