“ *Expressing my condolences to the family and his many close friends. I'll always remember, in my side yard at Pinewood Ave, Dave coming over and watching him effortlessly toss one devastating curveball after another so I could learn how to hit one in a game...*

*From the most popular to the most shy, Dave was a friend to all. Thank you, Dave, for the kindness, selflessness, genuine care, and laughter you always shared with me. May you find rest in the light of God's grace.*
