

Denise L. Powell

October 15, 2021

Denise L. Powell, 60, of Newfield passed away on October 15, 2021. Born in Camden, Denise was the daughter of Joseph & Lorraine Powell. She spent the early part of her life in Gloucester City until the family moved to Monroeville and then graduated from Delsea High School. For the last twenty one years, Denise has worked at the Olivet School in Pittsgrove in the cafeteria and as a bus driver. Throughout all those years, there was not a day that she did not talk about the passion and the love that she had for all the kids in the school and especially those on her bus. Outside of school, she loved camping, going to concerts, hanging out at her pool with both family and friends and riding on the back of Ken's bike. She was destined to reunite with the love of her life, Ken who put the spark back in her and her family's lives . She also loved to cook and bake for everyone. If you asked anyone, they would say Denise was selfless, and always putting others first. She was a great wife, mother, daughter and grandmother who was obsessed with her grandkids. She was also a great sister, friend, aunt, niece, cousin, and neighbor! She made a difference and an impact on those she met, and she will be deeply missed!

She is survived by her daughters, Brittany Hogate and April Hogate, their father Ken, her two grandsons, Jacob and Joseph Lawrenson, her father Joseph, siblings, Lori Baker (Michael), Michael Powell and Joseph Powell. She was predeceased by her mother Lorraine.

Services for Denise will be held on Thursday, October 21, 2021 at the Adams Funeral Home, 64 Broad St., Woodstown, NJ 08098. The viewing will begin at 5 PM with the service following at 7 PM. Interment will be private and at the convenience of the family. If you chose to send flowers the family truly appreciates it, but they have also suggested that donations can be made in Denise's memory to the Alzheimer's Association, alz.org. www.adamsfuneralhome.org

Miss Denise was my CCTEC driver. It was just she & I. On the last day, she bought me ice cream. I'll always have that memory. I know she'll be greatly missed. Always in our hearts. Love, Nina Gross

“ *I didn't know Denise that well but would wave to all the drivers as they passed the produce stand. I did see Denise a few times there, as a customer. I know she was very dedicated to the children that rode her bus, almost being extra attentive to their safety. She definitely left this world a true hero, still worried about her kids. Rest easy Ms. Denise, you may be gone from this earth but your memory will live on in those hearts you touched.*

“ *Words cannot explain what the family is going through. Denise would light up the room with her presence and that laugh. You would never know what she was going to say. But it was going to be FUNNY!!!!!!!!!! LOL. Working with Denise would make the night go by fast. I am glad to call her "MY FRIEND." Over 30 years plus and got to know her family very well. I have so many memories of Denise with April and Britt. She is with her Mom now. But way to young to leave us. Dar Le Comte*
