Tribute Wall

“ I remember Diana from being active in Cub Scout Pack 480 in Carneys Point. Our sons were in it together. She was always smiling and always willing to lend a hand. I was so sorry to read of her passing. May she rest in peace. My sympathy goes to her husband and children as well as to the rest of her family.##imported-begin##Deb (Hurka) Sillery##imported-end##

“ Diana was the nicest person you would ever want to know. We had been friends ever since we met in high school. The last time we had talked was at my father's funeral. Through the years she always looked and sounded the same as when she was in high school. I'm deeply saddened to learn that my friend is gone. My thoughts and prayers are with her family.##imported-begin##Chuck Monzo##imported-end##

“ I am deeply saddened to read about Diana's passing. I will always remember the friendship we shared in my younger years at St. John's. To this day I still have a crocheted pig that she made me for my birthday back when I was in high school. We did run into each other a few years ago and it was like we never lost touch. May the memories help you during this difficult time. I will never forget Diana and will forever keep her in my heart. May God bless all of you and keep you in the palm of his hands.##imported-begin##Cathy (McMahon) DeMora##imported-end##
