“ Dewey ... I hope you understand that when people say or write "sorry for your loss," it's only because they can't put together the words to describe what they really want to say to you during this time. With that said, I want you to know that I really am so sorry for your loss. Know that your memories with Dinah will bring you comfort. Memory is a special place in our hearts where we can find comfort in the treasured thoughts of those we hold dear. I hope it helps you to know that others care deeply and are remembering you with special thoughts.##imported-begin##Sharyn Haley##imported-end##
