“ Cousins,I was saddened to hear of aunt Dee's passing. I so enjoyed comming to visit when i was little. I always observed that there were always SO many people comming and going. I am an only child so it was a bit overwhelming for me but always enjoyable. As a mom now of 2 boys "Rocco"and "Carlo" I always admired how much of a great relationship she had with you guys. I asked her one time "how can your sons always be at your house all the time? They are men." She said to me "because i always made my house a home!" She certainly did!!Always welcoming and kind! She taught me to make "scrapells" and "rum cake" and I am so happy she took that time to teach me. Heaven DEFINATLY gained an angel. With deepest sympaty,Marlena Monticolo

“ Lou,
I am so sorry for your Loss. Condolence's and prayers for your family in this sad time. It's hard to lose a parent, I know too well. She is with your Dad now and they are smiling down on what a beautiful family they created together. Thinking of you and Debbie at this time.

“ *I could write a book your were my Aunt by blood but in my heart you were my mom losing mine so young you were always there for me. You were also my neighbor growing up. You taught me how to sew but I never got as good as you, your cooking and baking was the best and us cleaning your house on Saturdays dancing like fools to Tom Jones and taking me to see that hunk in person. We enjoyed many vacations together in Wildwood and going to Italy you were very special to me and the last few days have been hard I will miss you so much and someday I hope we are reunited love you rest easy!!*
